Authorization of Tree Width Change

Dear Mr. Ingdam,

G. Passier & Sohn GmbH is proud to announce that we authorize you personally to change the tree width on Passier saddles, without losing the warranty, as of 01. June 2005.

Knowing you as a long term customer and an excellent saddle fitter, gave us the faith to grant you this authorization.

During the past years we have permanently followed your work and found that you constantly meet our high quality standards.

Kind regards,
G. Passier & Sohn GmbH
